Title: PROVIDING VISUALIZATION	:

This is a decision on the petition pursuant to 37 C.F.R. § 1.181(a), filed on October 15, 2008, requesting that the holding of abandonment in the above-identified application be withdrawn.

Receipt of the concurrently submitted amendment is acknowledged.

This petition pursuant to 37 C.F.R. § 1.181(a) is **GRANTED**.

BACKGROUND

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action, mailed January 25, 2008, which set a shortened statutory period for reply of three months. No response was received, and no extensions of time under the provisions of 37 C.F.R. § 1.136(a) were requested. Accordingly, the above-identified application became abandoned on April 26, 2008.

ANALYSIS

Petitioner has alleged that the mailing was not received.¹ The electronic file has been reviewed, and it is clear that the Office communication was returned to the Office by the United States Postal Service on February 4, 2008.²

Considering the facts and circumstances of the delay at issue, as set forth on petition, it is concluded that Petitioner has met his burden of establishing that the non-final Office action of January 25, 2008 was not received.

Accordingly, the petition pursuant to 37 C.F.R. § 1.181(a) is **GRANTED**. The holding of abandonment is **WITHDRAWN**.

CONCLUSION

The Technology Center will be notified of this decision. The Technology Center's support staff will notify the Examiner of this decision, so that the amendment that was received with the present petition can be processed.
